1. Purpose.

The purpose of this Agreement is to set forth the terms and conditions under which Linn County ("County") will provide American Rescue Plan Act ("ARPA") grant funding ("Subaward") to City of Alburnett ("Subrecipient") for reimbursement of expenses to renovate building for the Alburnett City Hall.

This Agreement shall be construed and enforced in accordance with the laws of the State of Iowa and federal regulations.
Subrecipient's performance under this Agreement is subject to the applicable requirements published in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Title 2 of the United States Code of Federal Regulations (C.F.R.) part 200 hereinafter referred to as the "Uniform Guidance."

2. **Term of Agreement.**

This Agreement shall be effective upon full execution by the Parties (the "Effective Date") and shall terminate upon 1) Completion of the project or 2) Exhaustion of subaward funds or 3) termination or 4) 12/31/2024

3. **Grant Funding.**

The Subrecipient shall use the Subaward solely Repurpose Former Fire Station into Albunett City Hall.

The County agrees to provide up to $141,450.00 to the Subrecipient from the County's share of its ARPA allotment, to be used for expenses to renovate building for the Albunett City Hall. The County shall pay the Grant Funds to the Subrecipient per a reimbursement of expenses method.

4. **Reporting and Invoicing.**

The Subrecipient may submit invoices and or detailed reports to account for expenditure of funds to the County on a monthly basis, but no less than quarterly. Due dates for the quarterly reports are available on EXHIBIT A.

Invoices and reports shall be submitted to:

Linn County Finance & Budget  
Attn: Sonia Evans, Senior Accountant

[Sonia.evans@linncountyiowa.gov](mailto:Sonia.evans@linncountyiowa.gov)

Consistent with Uniform Guidance (2 C.F.R. §200.328), the Subrecipient shall provide the County with quarterly reports and a close-out report. These reports shall include the current status and progress by the Subrecipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the County.

The County may request additional information from the Subrecipient, as needed, to meet any additional guidelines regarding the use of ARPA funds that may be established by the US Treasury during the scope of this Agreement.

As required by Uniform Guidance (2 C.F.R. §200.415(a)), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Subrecipient, which reads as follows:
“By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812).”

c. Issuing a management decision for audit findings pertaining to the Subaward provided to the Subrecipient from the County as required by 2 C.F.R. §200.521 Management decision.

Subrecipient shall monitor its performance under this Agreement, as well as that of its lower-level Subrecipients, contractors, consultants, etc. who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the scope of work is being accomplished within the specified time periods, and other performance goals are being achieved.

6. **Maintenance of Records.**

The Subrecipient shall maintain records, books, documents, and other materials relevant to its performance under this Agreement. These records shall be subject to inspection, review, and audit by the County or its designees, the State, and the US Treasury for five (5) years following termination of this Agreement. If it is determined during the course of the audit that the Subrecipient was reimbursed for unallowable costs under this Agreement or any, the Subrecipient agrees to promptly reimburse the County for such payments upon request.

7. **Closeout.**

The closeout report is due ninety (90) days after termination of this Agreement or ninety (90) days after completion of the activities contained in this Agreement, whichever first occurs.

Each party’s obligation to the other shall not end until all closeout requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets, (including the return of unused materials and equipment as require herein, unspent cash advances, program income balances, and
accounts receivable to the County), and determining the custodianship of records. The terms of this Agreement shall remain in effect during any period that the Subrecipient has control over ARPA funds. The County will close out the award when it determines that all applicable administrative actions and all required work of the Agreement have been completed.

Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Subrecipient to permit public access to any document, paper, letter, or other material.

The County may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Subrecipient with thirty (30) calendar day prior written notice.

The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

12. Procurement.

17. **Defense and Indemnification.**

Subrecipient agrees to defend, indemnify, and hold the County, its officers, officials, employees, agents, and volunteers harmless from and against any and all claims, injuries, damages, losses or expenses, including without limitation personal injury, bodily injury, sickness, disease, or death, or damage to or destruction of property, which are alleged or proven to be caused in whole or in part by an act or omission of the Subrecipient, its officers, directors, employees, and/or agents relating to the Subrecipient’s performance or failure to perform under this Agreement. Iowa Utilities Board
1375 E. Court Ave.
Des Moines, IA 50319

Dear Board Members:

The Linn County Board of Supervisors submits this letter as our written comments on the proposal by Wolf Carbon Solutions US LLC (Wolf) to build and operate a carbon capture pipeline system in Iowa. Wolf’s proposed pipeline route includes a roughly 16-mile-long corridor through Linn County starting at the ADM dry corn milling plant in southwest Cedar Rapids and extending east to the county line.

We acknowledge that the use of eminent domain may be suitable for specific, individual public use, public purpose, or public improvement projects. However, we also believe that the authority to take private property for a public use must be limited to projects that serve the entire public and that the unrestrained, unjustified, or improper use of eminent domain undermines private property rights by forcing landowners to grant easements unwillingly. We object strenuously to the use of eminent domain for the proposed Wolf carbon capture pipeline system and urge you to deny its use if Wolf files a request to do so. Wolf claims that its proposed carbon capture system will serve the entire public by providing environmental benefits and helping to achieve carbon reduction goals. However, unlike regulated utilities, carbon capture pipelines are not granted a franchise to provide a service that benefits the entire public in a designated service area. Instead, the pipeline will benefit only private companies, at public expense using federal tax credits, without providing a service to the entire public.

Further, we have serious concerns about the long-term loss to the economic value of agricultural property used by a hazardous liquid pipeline caused by factors including the improper restoration of land and drainage systems, which has previously demonstrated negative effects on long-term soil health and productivity. Additionally, the presence of hazardous liquid pipelines can have severe impacts on the value of residential and commercial property by limiting its use and making it less attractive to buyers.

Finally, and perhaps most importantly, we have deep concerns about the significant risk to the health and safety of the public that the proposed pipeline is purported to benefit. Although we value ADM’s important role in the local and regional economy, regarding Wolf’s pipeline proposal we believe that the financial and human cost of the health and safety risks to landowners and neighboring residents, schools, and other places of public assembly outweighs the benefit of potential job creation and economic growth.

Thank you for your attention to this letter, we appreciate your time and consideration.

Sincerely,

Ben Rogers

Re: Single Axle Truck Surcharges

On 4/30/2021 an RFP for two (2) single axle trucks was released by the Linn County Purchasing Department. Quotes were due on 5/14/202. The low quote was from Truck Country of Cedar Rapids for the amount $411,846.00 ($205,923.00 each). Purchase order #PO115 was created on 6/1/2021. The original delivery was scheduled for December 2021. Now they are not due to be built until the fourth quarter of 2023 and both Truck Country and Henderson Truck Equipment are asking for price increases.

Truck Country is asking for the increase due to model year changes and surcharges.

On December 13, 2021 - Freightliner added a surcharge of $2,900.00 for the 2022 model year due to rising material and labor costs – See Daimler Truck document dated 12/13/2021

On April 19, 2022 - Freightliner added a surcharge of $6,700.00 for the 2023 model year due to rising material and labor costs – See Daimler Truck document dated 4/19/2022.

There have been other increases and charges that they don't have documentation for. (Example – Model year changes)

Henderson Truck Equipment is asking for the increases due to the extreme increase in material cost from the time the order was quoted. The dump body, sander, cab protector, plow and wing face are all stainless steel. Stainless steel is up 38.5% - See attached Henderson documents - price adjustment detail and dashboard.

The original cost of each truck package was:

Truck Chassis $82,992.00 (2021 model year)

Equipment $122,931.00

Total $205,923.00 each or $411,846.00 for two (2) trucks

The projected cost of each truck package is:

Truck Chassis $100,121.00 (New price for 2024 model year)

Equipment $132,574.08 (Price adjustment of $9,643.08 each or $19,286.16 for two (2) trucks

Total $232,695.08 each or $465,390.16 for two (2) trucks
