MEMORANDUM OF UNDERSTANDING
REGARDING REIMBURSEMENT FROM MH/DS OF THE
EAST CENTRAL REGION FOR COUNTY EMPLOYEES

1. COME NOW the Linn County Board of Supervisors (hereinafter “the County Board”) and the Governing Board of the Mental Health/Disability Services of the East Central Region of Iowa (hereinafter “the Governing Board”) indicate their mutual understanding of the following:

2. Linn County is a member county in and the County Board is a signatory to a 28E Agreement for Mental Health/Disability Services for the East Central Region.

3. The purpose of this Memorandum of Understanding is to establish an entity to provide local access to mental health and disability services for children and adults and to engage in any other related activity in which an Iowa 28E organization may lawfully be engaged, all in compliance with Senate File 2315, Division IV, Section 32, as signed into law on May 25, 2012.

4. The 28E Agreement contemplates that the Region’s Chief Executive Officer, Coordinators of Disability Services, and all support staff will be made up of and will remain employees of the individual member counties and shall be subject to the county’s personnel policies and the region’s applicable policies and procedures.

5. The county’s assignment of the employee to the region is subject to the review of the Governing Board.

6. Pursuant to the 28E Agreement, the portion of the employee’s time and responsibilities that are performed on behalf of the region, the region has the authority to review the employee’s performance and make recommendations that are communicated to the county board of supervisors regarding the employee’s continued appointment by the Governing Board.

7. In so doing, the 28E Agreement requires that there will be statements of understanding between the Governing Board and the individual county Boards of Supervisors that identify the individual employee, the position to be filled, and the portion of the employee’s wages and benefits that will be reimbursed to the county from regional funds.
8. In the event one of the specific employees listed leaves, for whatever reason, her or his employment with Linn County and a new employee is hired to fill that vacant position, the County Board’s representative on the Region’s Governing Board shall provide the Governing Board with an updated Exhibit A. The Governing Board shall reimburse the member county for the time an employee spends fulfilling regional functions as defined in Exhibit A. Reimbursement shall include the employee’s base salary, benefits, applicable payroll deductions, occupancy expenses, and identified administrative expenses. Each member county agrees to provide the employee with sufficient office space, equipment, supplies and telephone to conduct employee’s region responsibilities while working within the member county, which will be reimbursed by the region. The Governing Board shall reimburse the member county for all travel expenses incurred while an employee performs regional work. Reimbursements shall be reviewed annually or as needed when changes to a member county’s expenses occur.

9. The Region shall issue funds to each member county for one fourth of the member county’s MH/DS combined payroll and occupancy budgeted expenses as identified above by the latest practical claims date before the beginning of the new quarter (July, October, January, and April) in order to ensure that the county receives adequate funds to cover the quarterly administrative expenses.

10. If a county has higher expenditures during a quarter that exceed the quarterly payment, a request for reimbursement will be sent to the region to be considered at the next Regional Governing Board meeting. If a member county expects lower expenditures in any given quarter, the county should notify the region. Adjustments to a county’s quarterly distribution will be completed in the fourth quarter, as necessary.

11. Member counties will submit a quarterly report of expenditures to the region for reconciliation purposes. The quarterly report will not impact the next quarterly distribution.

12. The member county is responsible for tracking each employee’s time when conducting regional work. The member county must conduct a time study semi-annually, at a minimum, supporting the amount that is reimbursed by the region.
13. This agreement shall be effective for the time period of July 1, 2023 through June 30, 2024. The Governing Board may vote to extend or amend this MOU for FY 25 and beyond.

14. Any disagreements in reimbursement amounts shall be discussed and rectified between the Governing Board and County Board of Supervisors in the same manner disputes are resolved under Section 4.7 of the regional 28E Agreement.
