Health Plan may issue Supplemental Materials in an electronic format, which includes, but is not limited to, posting on Health Plan’s web-portal; physical copies are available upon request. Supplemental Materials become binding as of the effective date indicated on the Supplemental Materials or, if applicable, the effective date will be determined in accordance with this Agreement.

2.9 **Health Plan’s Electronic Processes and Initiatives.** Provider will participate in and comply with Health Plan’s electronic processes and initiatives, including, but not limited to, electronic submission of prior authorization, access to electronic medical records, electronic claims filing, electronic data interchange, electronic remittance advice, electronic fund transfers, and registration and use of Health Plan’s web-portal.

2.10 **Information Reporting and Changes.** Provider will deliver to Health Plan a complete and accurate list of its business/practice/facility locations and, as applicable, a list of each person and entity performing Covered Services, together with the specific information required for administration of this Agreement. The information includes, but is not limited to, the information required by Health Plan to produce provider directories and any subsequent changes to that information. Provider will be required to deliver any changes as to the persons and entities who are covered under this Agreement within five (5) days. Each person or entity will only be part of this Agreement after Provider has received written approval from Health Plan, which includes, but is not limited to, confirmation that credentialing is complete, if required. Notwithstanding the above, if a Law or Government Program Requirement requires the delivery of information described in this section in another manner or different timeframe, Provider will notify Health Plan in accordance with the Law or Government Program Requirement. Health Plan also reserves the right to request such information at any time.

2.11 **Standing.**

a. **Requirements.** Provider represents it has the appropriate approvals, including, but not limited to, applicable licenses, certifications, registrations, and permits to provide Covered Services in accordance with Laws and Government Program Requirements. Provider will deliver evidence of any approvals to Health Plan upon request. Provider will maintain such approvals in good standing, free of disciplinary action, and in unrestricted status. Provider will promptly notify Health Plan of changes in its status, including, but not limited to, disciplinary action taken or proposed by any agency responsible for oversight of Provider.

b. **Unrestricted Status.** Provider represents to its best knowledge, information, and belief, neither it, nor any of its employees, temporary employees, volunteers, consultants, members of its board of directors, officers, or contractors or any persons or entities with an ownership or control interest in Provider as defined and set forth
in 42 CFR 455.101 and 455.104 (collectively, “Personnel”) have been excluded from participation in the Medicare Program, any state, commonwealth, or the District of Columbia’s Medicaid Program, or any other federal health care program (collectively “Federal Health Care Program”). Provider agrees that it must check the Department of Health and Human Services Office of Inspector General List of Excluded Individuals and Entities, the System for Award Management, any other list maintained by a state, commonwealth, or federal government, and every state, commonwealth, and the District of Columbia’s Medicaid exclusion lists (including criminal background and registry checks) to determine whether Provider or any of its Personnel have been excluded from participation in any Federal Health Care Program. These databases must be checked for any new Personnel and thereafter not less than monthly. Provider will notify Health Plan immediately in writing if Provider determines that Provider or any of its Personnel are suspended or excluded from any Federal Health Care Program. Provider agrees that it is subject to 2 CFR Part 376 and will require its Personnel to agree that they are subject to 2 CFR Part 376. If a governmental agency imposes a penalty, sanction, or other monetary adjustment or withhold due to Provider’s non-compliance with this provision or any payments were made to Provider while under non-compliance with this provision, Health Plan will issue a letter requesting payment of the amount imposed. If the Provider does not timely pay the amount, Health Plan may collect the amount by offsetting or recouping from any amounts due. If required, such offset or recoupment will be done in a manner that is compliant with Laws and Government Program Requirements. This section will survive any termination.

c. **Legal Actions.** Provider will give prompt written notice to Health Plan when related to services provided under this Agreement of: (i) a legal claim asserted by a Member and information about its resolution; (ii) a criminal investigation or charge, information, or indictment filed and information about its resolution; and (iii) a legal claim that may jeopardize financial soundness and information about its resolution. This section will survive any termination.

d. **Liability Insurance.** Provider will maintain general liability insurance, professional liability insurance, and additional insurance coverage consistent with industry standards and as required by Laws and Government Program Requirements in coverage amounts appropriate for the size and nature of Provider’s facilities and health care activities, be it purchased or a self-funded plan, and in compliance with Laws and Government Program Requirements. If the purchased coverage is claims made or reporting, Provider agrees to purchase “tail” coverage upon termination of the Provider’s present or subsequent policy unless such policy covers prior acts. Provider will deliver copies of such insurance policy to Health Plan within five (5) business days of a written request by Health Plan. Provider will deliver advance written notice fifteen (15) business days before any change, reduction, cancellation, or termination of its insurance coverage. If the coverage is through a self-funded plan, Provider will maintain a separate reserve for its self-funded plan. Prior to the Effective Date, upon Health Plan’s request, Provider will provide a statement, verified by an independent auditor or actuary, that its reserve funding levels and process of funding appears adequate to meet the requirements of this section and fairly represents the financial condition of the fund. Provider will provide a similar statement during the term of this Agreement upon Health Plan’s request, which will be made no more frequently than annually. Provider's self-funded plan will comply with applicable Laws. This section will survive any termination. Provider will maintain general liability insurance and additional insurance coverage consistent with industry standards and as required by Laws and Government Program Requirements. If the coverage is claims made or reporting, Provider agrees to purchase “tail” coverage upon termination of the Provider’s present or subsequent policy unless such policy covers prior acts. Provider will deliver copies of such insurance policy to Health Plan within five (5) business days of a written request by Health Plan. Provider will deliver advance written notice fifteen (15) business days before any change, reduction, cancellation, or termination of its insurance coverage. This section will survive any termination.

2.12 **Non-Solicitation of Members.** Provider will not solicit or encourage Members to select another health plan. Nothing in this provision is intended to limit the information available to Members related to Medical Necessity, appropriate treatment, or alternative care.

2.13 **Laws and Government Program Requirements.**

a. **Compliance with Laws and Government Program Requirements.** Provider will comply with the Laws that are applicable to this Agreement. Provider acknowledges Health Plan has entered into Government Contracts and Provider agrees it will comply with the applicable Government Program Requirements for each Product.
Upon written request from Provider, Health Plan will give Provider a copy of each Government Contract under which Provider is participating, redacted to remove financial and other private and trade secret information.

b. Fraud and Abuse Reporting. Provider will comply with Laws and Government Program Requirements relating to fraud, waste, and abuse. Provider will establish and maintain policies and procedures for identifying and investigating fraud, waste, and abuse. In the event Provider discovers an occurrence of fraud, waste, or abuse, Provider will promptly notify Health Plan. Provider will participate in and comply with investigations conducted by Health Plan or by a governmental agency. This section will survive any termination.

d. Ownership Disclosure Information. If applicable, Provider must disclose to Health Plan the name and address of each person, entity, or business with an ownership or control interest in the disclosing entity before the Effective Date and throughout the term of this Agreement. Provider or disclosing entity must also disclose to Health Plan whether any person, entity, or business with an ownership or control interest in the disclosing entity are related to another as spouse, parent, child, or sibling before the Effective Date and throughout the term of this Agreement. Furthermore, there must be disclosure of the name of any other disclosing entity in which a person with an ownership or controlling interest in the Provider or disclosing entity also has an ownership or control interest.

2.14 Reciprocity Agreements. Provider will cooperate with Affiliates and agrees to ensure reciprocity of health care services and related services and supplies to Affiliates’ enrollees. For Affiliates’ enrollees, Provider will be compensated for Clean Claims that are determined to be payable at the rate set forth in this Agreement unless otherwise required by a Law or Government Program Requirement. Provider will follow the hold harmless provisions of this Agreement for Affiliates’ enrollees.

2.15 Abuse, Neglect, and Exploitation. Provider will comply with the Laws and Government Program Requirements relating to the reporting of abuse, neglect, and exploitation.

2.16 Condition Change. Provider will promptly notify Health Plan’s Care Management Team upon becoming aware of a significant change in a Member’s health or functional status or death except when otherwise required by a Law or Government Program Requirement.

ARTICLE THREE – HEALTH PLAN’S OBLIGATIONS

3.1 Health Plan Compliance. Health Plan will comply with all Laws and Government Program Requirements that are applicable to this Agreement.

3.2 Member Eligibility Determination. Health Plan will maintain data on Member eligibility and enrollment. Health Plan will promptly verify Member eligibility at the request of Provider.

3.3 Prior Authorization Review. Health Plan will respond with a determination on a prior authorization request in accordance with the time frames required by Laws and Government Program Requirements after receiving all necessary information from Provider.

3.4 Medical Necessity Determination. Health Plan’s determination regarding Medical Necessity will govern.

3.5 Member Services. Health Plan will provide services to Members, including, but not limited to, assisting Members in selecting a primary care physician, processing Member complaints and grievances, informing Members of Health Plan’s policies and procedures, providing Members with membership cards, providing Members with information about Health Plan, and providing Members with access to Health Plan’s Provider Directory.

3.6 Provider Services. Health Plan will make available a Provider Services Department that, among other Health Plan duties, is available to assist Provider with questions about this Agreement.

3.7 Corrective Action. Health Plan and governmental agencies routinely monitor the level, manner, and quality of Covered Services provided as well as Provider’s compliance with this Agreement. If a deficiency is identified, the parties will meet and confer on Health Plan or an agency, in its sole discretion, may choose to issue a corrective action plan to address the deficiency. Provider is required to accept and implement such corrective action plan. Provider is not entitled to a corrective action plan prior to any termination.

Commented [BD8R7]: Agree to change
3.8 **Plan of Care.** As applicable to the Member, Health Plan will maintain a person-centered comprehensive care plan developed using specific health assessments to determine interventions that support the achievement of both short and long-term goals while minimizing barriers to care. Health Plan will develop the comprehensive care plan with the Member or, when applicable, the Member’s representative based on the Member’s specific needs, goals, and preferences. Additionally, Health Plan will maintain a Plan of Care that is person centered and reflects the services and supports that are important for the Member to meet their needs, goals, and preferences that are identified through an assessment of functional need. The Plan of Care will identify what is important with regard to the delivery of the services and supports.

**ARTICLE FOUR – CLAIMS PAYMENT**

4.1 **Claims.** Provider will promptly submit to Health Plan Claims for Covered Services in a standard form that is acceptable to Health Plan. Provider is not eligible for payment on Claims submitted after one hundred and eighty (180) days from the Date of Service unless Health Plan is required to follow a different timeframe pursuant to a Law or Government Program Requirement. When Health Plan is the secondary payer, Provider is not eligible for payment for Claims submitted after one hundred and eighty (180) days from the date the primary payer adjudicated the Claim unless Health Plan is required to follow a different timeframe pursuant to a Law or Government Program Requirement. Provider will include all medical records pertaining to the Claim if requested by Health Plan and as may be required by Health Plan’s policies and procedures.

4.2 **Compensation.** Health Plan will pay Provider for Clean Claims for Covered Services, that are determined to be payable, in accordance with Laws, Government Program Requirements, and this Agreement. Health Plan will make payment within sixty (60) days, unless otherwise required by Laws or Government Program Requirements. Provider agrees to accept such payments, Member cost-sharing, coordination of benefits, and amounts due from third-parties as payment in full for Covered Services. Provider’s failure to comply with the terms of this Agreement may result in non-payment to Provider.

4.3 **Member Cost-Sharing.** Provider is responsible for the collection of co-payments, co-insurances, and deductibles, if any, from Members. Provider agrees to bill Members and collect such cost-sharing amounts from Members.

4.4 **Member Hold Harmless.** Provider agrees in no event, including, but not limited to, non-payment, insolvency, or breach of this Agreement by Health Plan, will Provider bill, charge, collect a deposit from, seek remuneration or reimbursement from, or have any recourse against a Member or person acting on a Member’s behalf for Covered Services provided pursuant to this Agreement. This does not prohibit Provider from collecting co-payments, co-insurances, or deductibles as specifically provided in the Member’s evidence of coverage or fees for non-Covered Services in accordance with Laws and Government Program Requirements. For the purposes of this section, non-Covered Services do not include services that have been determined to be not Medically Necessary by Health Plan. This section will survive any termination, regardless of the reason for the termination, including insolvency of Health Plan.

4.5 **Coordination of Benefits.** Health Plan is a secondary payer where another entity is the primary payer. Provider will inquire of each Member to learn if the Member has health insurance or health benefits other than from Health Plan or is entitled to payment from: (i) another insurer or plan of any type; or (ii) a third-party under any other form of compensation, including, but not limited to, personal injury settlements. Provider will file and make reasonable efforts to collect such potential entitlements and Provider will promptly notify Health Plan of such potential entitlement. Unless otherwise required by a Law or Government Program Requirement, Provider will be compensated in an amount equal to the allowable Clean Claim less the amount due from other insurers, plans, or third-parties not to exceed the amount specified in the Compensation Schedule of this Agreement.

4.6 **Offset.** In the event of an Overpayment, Health Plan will issue an Overpayment letter requesting repayment of the funds. If the Provider does not timely repay the Overpayment, Health Plan may collect the amount by offsetting or recouping from any amounts due after issuing the Overpayment letter to Provider. If required, the offset or recoupment will be done in a manner that is compliant with Laws and Government Program Requirements. As applicable to the Product, Provider will comply with the Laws and Government Program Requirements regarding the identification and return of Overpayments. Provider will notify Health Plan and applicable governmental agencies of any Overpayments identified by Provider. The offset and recoupment rights set forth in this Agreement will be deemed to be and to constitute rights of offset and recoupment authorized under Law or in equity to the maximum extent legally permissible. Notwithstanding any other provision of this Agreement, the offset and
recoupment rights for an Overpayment may be exercised to the time period permitted by Law. Such rights will not be subject to any requirement of prior or other approval from a court or other governmental agency that may now or hereafter have jurisdiction over Health Plan or Provider unless otherwise required for compliance with a Law or Government Program Requirement. This section will survive any termination.

4.7 **Claim Review.** Claims will be reviewed and paid in accordance with Health Plan’s policies and procedures which are based on Health Plan’s experience and industry standard billing and payment rules, including, but not limited to, the Uniform Billing (“UB”) manual and editor, Current Procedural Terminology (“CPT”) and Healthcare Common Procedure Coding System (“HCPCS”), federal and state/commonwealth billing and payment rules, and National Correct Coding Initiatives (“NCCI”) Edits. Furthermore, Provider acknowledges Health Plan’s right to conduct Medical Necessity reviews and apply clinical practice standards to determine appropriate payment when applicable. Payment may exclude certain items not billed in accordance with Health Plan’s policies and procedures or, when applicable, that do not meet Medical Necessity criteria. This section will survive any termination.

4.8 **Claim Auditing.** Provider acknowledges Health Plan’s right to conduct post-payment billing audits. Provider will cooperate with Health Plan’s audits of claims and payments by providing access at reasonable times to requested claims information, all supporting records, Provider’s charging policies, and other related data. Health Plan will use established industry claims adjudication, and clinical practices, federal and state/commonwealth guidelines, and Health Plan’s policies and data to determine the appropriateness of the billing, coding, and payment. This section will survive any termination.

4.9 **Financially Responsible Entity Payments.** If Provider provides Covered Services that are the responsibility of a Responsible Entity, Provider will look solely to the Responsible Entity for payment for the Covered Services.

4.10 **Timely Submission of Encounter Data.** Provider understands Health Plan may have certain contractual reporting obligations that require timely submission of Encounter Data. If a Clean Claim does not contain the necessary Encounter Data, Provider will submit Encounter Data to Health Plan. This section will survive any termination.

**ARTICLE FIVE – TERM AND TERMINATION**

5.1 **Term.** This Agreement will commence on the Effective Date indicated by Health Plan and will continue in effect for one (1) year and will renew for successive one (1) year terms unless terminated by either Party in accordance with this Agreement.

5.2 **Termination without Cause.** This Agreement, an individual Product, or an Individual Provider under this Agreement may be terminated without cause at any time by either Party by giving at least ninety (90) days prior written notice to the other Party.

5.3 **Termination with Cause.** In the event of a breach of a material provision of this Agreement, the Party claiming the breach will give the other Party written notice of termination setting forth the facts underlying its claim that the other Party breached this Agreement. The Party receiving the notice of termination will have thirty (30) days from the date of receipt of such notice to remedy or cure the claimed breach to the satisfaction of the other Party. During this thirty (30) day period, the Parties agree to meet as reasonably necessary and to confer to resolve the claimed breach. If the Party receiving the notice of termination has not remedied or cured the breach within such thirty (30) day period, the Party who delivered the notice of termination has the right to immediately terminate this Agreement, or an individual Product or an Individual Provider under this Agreement, upon expiration of the thirty (30) day period. Notwithstanding the forgoing, either Party may immediately terminate this Agreement, an individual Product, or an Individual Provider under this Agreement, without providing the other Party the opportunity to cure a material breach should the terminating Party reasonably believe the material breach of this Agreement to be non-curable.

5.4 **Immediate Termination.** Notwithstanding any other provision of this Agreement, this Agreement, an individual Product, or an Individual Provider under this Agreement, may immediately be terminated upon written notice to the other Party in the event any of the following occurs:

a. Provider’s license or any other approval needed to provide Covered Services is limited, suspended, or revoked, a disciplinary proceeding is commenced against Provider by a governmental or accrediting agency, or an indictment is issued against Provider;

b. Either Party fails to maintain adequate levels of self-insurance.
c. Provider has not or is unable to comply with Health Plan’s certification/credentialing requirements, including, but not limited to, having or maintaining its certification/credentialing status;

d. Either Party becomes insolvent or files a petition to declare bankruptcy or for reorganization under the bankruptcy laws of the United States, or a trustee in bankruptcy or receiver for Provider or Health Plan is appointed by appropriate authority;

e. Health Plan reasonably determines that Provider’s facility, equipment, or Personnel are insufficient to provide Covered Services;

f. Either Party is excluded/precluded from participation in a state, commonwealth, or federal health care program;

g. Provider is terminated as a provider by a state, commonwealth, or federal health care program;

h. Either Party engages in fraud, waste, or abuse or permits fraud, waste, or abuse by another in connection with the Party’s obligations under this Agreement;

i. Health Plan reasonably determines that Covered Services are not being properly provided or arranged for by Provider and such failure poses a threat to Members’ health and safety;

j. Provider violates any Law;

k. Provider fails to satisfy the terms of a corrective action plan; or

l. Termination is required by a governmental agency.

5.5 Notice to Members. In the event of any termination, Health Plan will give reasonable notice to Members who are currently receiving services and the Parties will ensure the continuity of services in accordance with and to the extent required by Laws and Government Program Requirements.

ARTICLE SIX – GENERAL PROVISIONS

6.1 Indemnification. Only to the extent permitted by law, within the limits of the Iowa Constitution and the laws of the State of Iowa, except where preempted by federal law, each Party will indemnify and hold harmless the other. Each Party will indemnify and hold harmless the other Party and its officers, directors, shareholders, employees, agents, and representatives from any and all liabilities, losses, damages, claims, and expenses of any kind, including costs and attorneys’ fees, which result from a breach of the duties and obligations of the indemnifying Party or its officers, directors, shareholders, employees, agents, and representatives under this Agreement. Each Party agrees to give the other Party prompt written notice of any claim made against the other Party. This section will survive the termination of this Agreement.

6.2 Relationship of the Parties. Nothing contained in this Agreement is intended to create, nor will it be construed to create, any relationship between the Parties other than that of independent parties contracting with each other solely for effectuating this Agreement. This Agreement is not intended to create a relationship of agency, representation, joint venture, or employment between the Parties. Nothing herein contained will prevent the Parties from entering into similar arrangements with other parties. Each Party will maintain separate and independent management and will be responsible for its own operations. Nothing contained in this Agreement is intended to create, nor will it be construed to create, any right in any third-party to enforce this Agreement.

6.3 Governing Law. The laws of the State of Iowa will govern this Agreement to the extent such laws are not preempted by federal laws.

6.4 Entire Agreement. This Agreement, including attachments, addenda, amendments, Provider Manual, Supplemental Materials, and incorporated documents or materials, contains the entire agreement between the Parties relating to the rights granted and obligations imposed by this Agreement. Any prior agreements, promises, negotiations, or representations, either oral or written, between the Parties and relating to the subject matter of this Agreement, are of no force or effect.

6.5 Severability. If a term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction or any governmental agency with oversight authority for this Agreement to be invalid, void, or unenforceable, the remaining provisions will remain in full force and effect and will in no way be affected, impaired, or invalidated because of such decision.
6.6 **Headings and Construction.** The headings in this Agreement are for reference purposes only and are not considered a part of this Agreement in construing or interpreting its provisions. It is the Parties’ desire that if a provision of this Agreement is determined to be ambiguous, then the rule of construction that such provision is construed against its drafter will not apply to the interpretation of the ambiguous provision. The following rules of construction apply to this Agreement: (i) the word “day” means calendar day unless otherwise specified; (ii) the term “business day” means Monday through Friday, except federal holidays; (iii) all words used in this Agreement will be construed to be of such gender or number as circumstances require; (iv) references to specific statutes, regulations, rules or forms, such as CMS-1500, include subsequent amendments or successors to them; and (v) references to any government department or agency include any successor departments or agencies.

6.7 **Non-exclusivity.** This Agreement will not be construed to be an exclusive Agreement between the Parties. Nor will it be deemed to be an Agreement requiring Health Plan to refer Members to Provider.

6.8 **Amendments.**

a. **Regulatory Amendments.** Health Plan may immediately amend this Agreement to maintain consistency or compliance with applicable policy, directive, Law, or Government Program Requirement at any time and without Provider’s consent. Such regulatory amendment will be binding upon Provider.

b. **Non-Regulatory Amendments.** Notwithstanding the Regulatory Amendments section, Health Plan may otherwise amend this Agreement upon thirty (30) days prior written notice to Provider. If Provider does not deliver a written disapproval to such amendment within the thirty (30) day period, the amendment will be deemed accepted by and binding upon Provider. If Health Plan receives a written disapproval within the thirty (30) day period, the Parties agree to meet and confer in good faith to determine if a revised amendment can be accepted by and binding upon the Parties.

6.9 **Delegation or Subcontract.** Provider will submit to Health Plan a list identifying Provider’s Subcontractors with a description of the services each Subcontractor provides. Provider will promptly submit updates to the list to Health Plan. Provider will ensure each Subcontractor complies with the applicable terms of this Agreement. Provider’s contract with a Subcontractor will be in writing and will bind the Subcontractor to the applicable terms required for compliance with this Agreement. Health Plan has the right to request Provider limit the use of a Subcontractor that does not meet the applicable terms of the Agreement and Provider will take reasonable action to comply with the request.

6.10 **Assignment.** Provider may not assign or transfer, in whole or in part, any rights, duties, or obligations under this Agreement without the prior written consent of Health Plan. Subject to the foregoing, this Agreement is binding upon, and inures to the benefit of the Parties and respective successors in interest and assignees. Neither the acquisition of Health Plan nor a change of its legal name shall be deemed an assignment.

6.11 **Arbitration.**

a. **Arbitration Requirements.** Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation, or validity thereof, including the determination of the scope or applicability of this agreement to arbitrate (hereafter “Dispute”), shall be determined by arbitration, subject to the terms of this section. The arbitration shall take place in Polk County, Iowa before one (1) arbitrator. The arbitrator will be an attorney with at least fifteen (15) years of experience, including at least five (5) years of experience in health care. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This section shall not preclude the Parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. Matters that primarily involve Provider’s professional competence or conduct (i.e., malpractice, professional negligence, or wrongful death) are not eligible for arbitration.

b. **Meet and Confer.** Prior to the initiation of arbitration, the Parties shall attempt to resolve any Dispute arising out of or relating to this Agreement via a good faith “Meet and Confer.” To initiate a Meet and Confer, a Party shall deliver to the other Party a written notice of the Dispute that includes a demand to Meet and Confer. The notice shall include: (i) a statement of the Party’s position and a summary of arguments supporting that position; and (ii) the name and contact information of the executive who will participate in the Meet and Confer. The Meet and Confer shall be held within forty-five (45) days of the delivery of the notice, at a
mutually acceptable time and place, between appropriate representatives of the Parties, including a person authorized to settle the Dispute (the “First Meeting”). The Parties may agree to further discussions after the First Meeting. At no time prior to the First Meeting shall either Party initiate an arbitration or litigation related to this Agreement, except to pursue a provisional remedy that is authorized by law or by JAMS Rules or by agreement of the Parties. This limitation is inapplicable to a Party if the other party refuses to comply with the requirements of this subsection.

c. **Rules for Arbitration.** The arbitrator will have no authority to give a remedy or award damages that would not be available to such prevailing Party in a court of law, nor will the arbitrator have the authority to award punitive, exemplary, or treble damages. The arbitrator will deliver a written reasoned decision within thirty (30) days of the close of arbitration, unless an alternate agreement is made during the arbitration. The Parties adopt and agree to implement the JAMS Optional Arbitration Appeal Procedure that is in place at the time of the arbitration with respect to any final award in an arbitration arising out of or related to this Agreement.

The Parties agree to accept any decision by the arbitrator, which is grounded in applicable law, as a final determination of the matter in dispute. The award may be vacated, modified, or corrected pursuant to the Federal Arbitration Act, 9 USC §§ 9-11. Grounds for vacating an award include: (i) where the award was procured by corruption, fraud, or undue means; (ii) where the arbitrators were guilty of misconduct or exceeded their powers; (iii) evident material miscalculation; (iv) evident material mistake in the description of any person, thing, or property referred to in the award; and (v) imperfections in a matter of form not affecting the merits.

Each Party shall bear its own costs and expenses of arbitration, including its own attorneys’ fees, and shall bear an equal share of the arbitrator and administrative fees of arbitration.

Arbitration must be initiated within one (1) year of the earlier of the date the Dispute arose, was discovered, or should have been discovered with reasonable diligence; otherwise, the Dispute will be deemed waived, and the complaining Party shall be barred from initiating arbitration or other proceedings. The Parties expressly agree that the deadline to file arbitration shall not be subject to waiver, tolling, alteration, or modification of any kind or for any reason other than fraud.

6.12 **Notice.**

a. **Delivery.** All notices required or permitted by this Agreement, except for Supplemental Materials, will be in writing and delivered: (i) in person; (ii) by U.S. Postal Service (“USPS”) registered, certified, or express mail with postage prepaid; (iii) by overnight courier that guarantees next day delivery; (iv) by facsimile transmission; or (v) by email. Notice is deemed given: (i) on the date of personal delivery; (ii) on the second day after the postmark date for USPS registered, certified, or express mail with postage prepaid; (iii) on the date of delivery shown by overnight courier; or (iv) on the date of transmission for facsimile or email.

b. **Addresses.** The mailing address, email address, and facsimile number set forth under the Signature Page will be the Party’s information for delivery of notice. Each Party may change its information through written notice in compliance with this section without amending this Agreement. Notice will be sent to the attention of the Authorized Representative.

6.13 **Waiver.** A failure or delay of a Party to exercise or enforce any provision of this Agreement will not be deemed a waiver of any right of that Party. Any waiver must be specific, in writing, and executed by the Parties.

6.14 **Execution in Counterparts and Duplicates.** This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. The Parties agree facsimile signatures, pdf signatures, photocopied signatures, electronic signatures, or signatures scanned and sent via email will have the same effect as original signatures.

6.15 **Force Majeure.** Neither Party will be liable or deemed to be in default for any delay or failure to perform any duty under this Agreement resulting directly or indirectly, from acts of God, civil or military authority, acts of a public enemy, war, accident, fire, explosion, earthquake, flood, strikes by either Party’s employees, or any other similar cause beyond the reasonable control of such Party if it is determined that: (i) the Party used the efforts a reasonable person would during the force majeure event to perform its duties under this Agreement; and (ii) the Party’s inability to perform its duties during the force majeure event is not due to its failure to take measures to protect itself against the force majeure event.
6.16 **Confidentiality.** Any information disclosed by either Party in fulfillment of its duties under this Agreement, including, but not limited to, health care information, compensation rates, and the terms of the Agreement, will be kept confidential. Information provided to Provider, including, but not limited to, Member lists, QI Program, certification/credentialing criteria, compensation rates, and any other administrative protocols or procedures of Health Plan, is the proprietary property of Health Plan and will be kept confidential. Provider will not disclose or release information to a third-party without the written consent of Health Plan. However, each Party may share information with its subsidiaries and affiliates and its respective Personnel and designees as necessary to fulfill the terms of this Agreement. Nothing in the Agreement will preclude either Party from disclosing information as required for compliance with a Law or Government Program Requirement or as required to comply with a governmental authority request provided that the information is only disclosed in a manner and to the extent required for compliance and in accordance with applicable Law. Provider will either return confidential information or destroy confidential information and provide confirmation of the destruction to Health Plan upon request if the Agreement terminates. This section will survive any termination.

6.17 **Adjustments.** If a governmental agency imposes a penalty, sanction, or other monetary adjustment or withhold due to Provider’s non-compliance with this Agreement, Health Plan will be able to collect the amount imposed on or withheld from Health Plan. Health Plan will issue a letter requesting payment of the amount imposed or withheld. If Provider does not timely pay the amount, Health Plan may collect the amount by offsetting or recouping from any amounts due. If required, such offset or recoupment will be done in a manner that is compliant with Laws and Government Program Requirements. This section will survive any termination.

6.18 **Expenses.** Unless otherwise specifically stated in the Agreement, all costs and expenses incurred in connection with this Agreement will be paid by the Party incurring the cost or expense.

6.19 **Offshore Resources.** Neither Provider nor its Subcontractors will perform any work related to the administration of the Agreement outside the United States of America without the prior written consent of Health Plan.

6.20 **Business Associate.** Provider will obtain and maintain a National Provider Identification (“NPI”) Number through the CMS National Plan and Provider Enumeration System. If Provider is unable to obtain an NPI Number or if otherwise required for compliance with a Law, Provider agrees to execute a Business Associate Agreement (“BAA”) with Health Plan and further agrees that this Agreement will be subject to the requirements of the BAA executed separately from this Agreement. Notwithstanding any other term of the Agreement, Health Plan may immediately terminate this Agreement upon written notice to Provider if the Parties are unable to execute BAA.
