LINN COUNTY

PROCLAMATION

Building Safety Month – May, 2023

Whereas the State of Iowa is committed to growth that depends on the safety of our homes, buildings, and infrastructure, both in everyday life and when disasters strike; and

Whereas our confidence in the resilience of these buildings is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers, and others in the construction industry—who work year-round to ensure the safe construction of buildings; and

Whereas these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal, and federal officials who are experts in the built environment to support the highest-quality codes to protect us; and

Whereas these modern building codes include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods, and earthquakes; and

Whereas Building Safety Month serves to remind the public about the critical role of our communities' largely unknown protectors of public safety—our local code officials—who assure us of safe, sustainable, and affordable buildings that are essential to prosperity; and

Whereas "It Starts with You," the theme for Building Safety Month 2023, encourages us all to raise awareness about building safety on a personal, local, and global scale.

NOW, THEREFORE, BE IT PROCLAIMED that we, the Linn County Board of Supervisors, do hereby proclaim the month of May 2023 as **Building Safety Month** and encourage our citizens to join with their communities in participation in Building Safety Month activities.
