ITEM R3. Discuss South Cell Cedar Lake project.

Goemaat and the Conservation Board reviewed details of the proposed Cedar Rapids South Cell Cedar Lake project under consideration for future Water and Land Legacy Bond support. Jennifer Pratt noted timing on funding is flexible and that a commitment would help the project timeline. Emerson noted his excitement about the project and the level of impact due to the location and amount of pollutant load entering Cedar Lake. Oleson requested additional conversation and voiced excitement about the project as an excellent water quality project. Hanson concurred that the project is a strong water quality project. Hanson asked staff or Brent to schedule a time for additional follow-up discussion as needed. Goemaat advised on making future commitments contingent on bond sale. Oleson asked staff for next steps to have other discussions before additional Board discussion on potential amount of funding that would be considered for this project. Oleson noted any Supervisor concerns about bond sales is not directed toward this project.

No action was taken by the Board.
