JC21-0007 Conditional Use Home Occupation Acoustics by Washburn
Johnathan Washburn, Owner

Mike Tertinger presented the staff report.

The applicant is requesting a Conditional Home Occupation for an acoustic ceiling-tile installation business. The applicant has constructed a 3,200 square foot building and is proposing to use 800 square feet for storing personal items, and the remaining 2,400 square feet for contractor storage. The petitioner will have a maximum of 1 nonresident employee and the majority of the use is proposed to occur within the accessory building. Two (2) cargo vans are proposed to be used for the business with 1 parked outside the structure utilizing 96 square feet of outdoor storage. The subject property is zoned AG (Agricultural) and contains approximately 20.73 acres.

A Conditional Home Occupation allows the applicant to use up to 2,500 square feet for the home occupation business on a parcel 10 acres or greater in size. A home occupation with one or more nonresident employees or that will use part of an accessory structure for the business requires a Conditional Use Permit for a Home Occupation in the AG (Agricultural) zoning district. The proposal conforms to the standards for approval in Article IV, Section 107-73, § (4) and Article VI, Section 107-113, § (h) of the Linn County Unified Development Code.

Staff recommends approval subject to the conditions of the staff report.
Martin asked if the Planning & Development department had received any feedback regarding the proposed home occupation. Tertinger said no.

Alden mentioned that she attended the Planning & Zoning Commission meeting on July 19, but had no affiliation with the applicant.

Motion by Martin to accept the Findings of Fact, Conclusions of Law, and Decision & Order as reflected in the staff report for Conditional Use case JC21-0007, and to approve case JC21-0007, Second by Meisheid.
